

# 1. Malgadi Organization Website For Books

Website url - <http://books.malgadi.co.in/>

I have worked as a full-stack developer in the Malgadi Organization in the creation of a book website for more than one year. The main idea behind this was the startup for online bookselling to students. I have worked in the front-end as well as back-end technology which includes PHP, HTML, CSS, Bootstrap, javascript, jquery, Mysql, Ajax, and the XML as well. I have worked in the creation of an admin panel for this website as well as in creating add to cart functionality and detail page of the book functionality and also in creating a database design. So I can help the client to create Ecommerce website according to their requirements. To get a clear idea, just have a look at my portfolio.

Main page

## Books page

The screenshot shows a grid of four book cards:

- Railway Engineering** (SECOND EDITION) by Satish Chandra & H.M. Antrekkal. Price: Rs. 275 Rs. 350 21% OFF. [OPEN PAGE](#)
- Fluid Mechanics Including Hydraulic Machines** by Dr. A.K. Jain. Price: Rs. 275 Rs. 400 31% OFF. [OPEN PAGE](#)
- The 8051 Microcontroller**. Price: Rs. 250 Rs. 350 29% OFF. [OPEN PAGE](#)
- Programming In ANSI C** by E. Balagurusamy. Price: Rs. 310 Rs. 420 26% OFF. [OPEN PAGE](#)

Below the cards, there are three more book covers: **Higher Engineering**, **UNIX Concepts and Applications**, and **Engineering Drawing**. On the right side, there is a shopping cart icon with "0 Item(s)".

## Search Result Page

The screenshot shows search results for 'c++':

Search Results for 'c++'

BOOKSHELF CE IT EC MH IC CL CH

**Object-Oriented Programming in C++** by Robert Lafore. Price: Rs. 400 Rs. 520 23%. [object oriented progra...](#)

**Fundamentals of Data Structures in C++** by Ellis Horowitz, Sartaj Sahni, and Dinesh Mehta. Price: Rs. 270 Rs. 400 33%. [fundamental of data str...](#)

Below the cards, there is a shopping cart icon with "1 Item(s)".

## Books Detail Page

The screenshot shows a web browser window with the URL [books.malgadi.co.in/item.php?q=7](http://books.malgadi.co.in/item.php?q=7). The page displays a book cover for "Basic Electrical, Electronics and Computer Engineering" (Second Edition) by Tata McGraw Hill. The book cover is green and white. To the right of the cover, the title and author information are listed. A green button labeled "ADDED ✓" indicates the item has been added to the cart. Below the button, there is a note about quantity and rent options.

Basic Electrical, Electronics And Computer Engineering  
Tata McGraw Hill  
In Stock  
Rs. 210 Rs. 400  
ADDED ✓  
The quantity can be changed from the cart.  
Rent options available at checkout.

1 Item(s)

## Add to Cart Page

The screenshot shows a web browser window with the URL [books.malgadi.co.in/cart.php](http://books.malgadi.co.in/cart.php). The page displays a "Your Cart" section containing the previously added book. The book's details and quantity selection buttons are visible. The Windows taskbar at the bottom shows various open applications.

Your Cart

Basic Electrical, Electron...  
Rs. 210 Rs. 400  
Quantity : - 1 +

## Track Order Page

The screenshot shows a web browser window for the 'Track Order - Malgadi Books' page. The URL is books.malgadi.co.in/track.php. The page has a purple header with the Malgadi logo and navigation links for Home, My Cart, Track Order, Review Us, Contact, and About Us. Below the header, there are category links: BOOKSHELF, CE, IT, EC, MH, IC, CL, and CH. The main content area is titled 'Track Order' and contains fields for 'Order ID' and 'Email', with a 'SEARCH' button. A sidebar on the left contains the text: 'Malgadi Books is a start-up organisation run by college students to provide academic engineering text books and reference books at reasonable rates to students pursuing engineering. We here at Malgadi intend to develop the platform whereby selling engineering textbooks on fingertips and help college students with their studies. Along with this'. On the right, there is a 'Links' section with links to Home, My Cart, Track Order, Review Us, Contact, and About Us. The bottom of the screen shows a Windows taskbar with a search bar, pinned icons for File Explorer, Google Chrome, and Microsoft Edge, and system status icons.

## Review us Page

The screenshot shows a web browser window for the 'Reviews - Malgadi Books' page. The URL is books.malgadi.co.in/review.php. The page has a purple header with the Malgadi logo and navigation links for Home, My Cart, Track Order, Review Us, Contact, and About Us. Below the header, there are category links: BOOKSHELF, CE, IT, EC, MH, IC, CL, and CH. The main content area is titled 'Review Us' and includes fields for 'Name' and 'Email'. Below these, there is a 'Your Review' text area and a 'POST' button. At the bottom of the page, there is a footer with social media links for Facebook and Twitter, and a message in Marathi: '247 लोगांची या संपर्क केंद्राची वार्ता प्राप्त करते. नवीन विषयांवरील वार्ता यादवारी करते. गोपनीय वार्ता करावारी करते. नियमांनुसार अपकारी करावारी करते.' To the right, there is a shopping cart icon with the text '1 Item(s)'. The bottom of the screen shows a Windows taskbar with a search bar, pinned icons for File Explorer, Google Chrome, and Microsoft Edge, and system status icons.

## About us Page

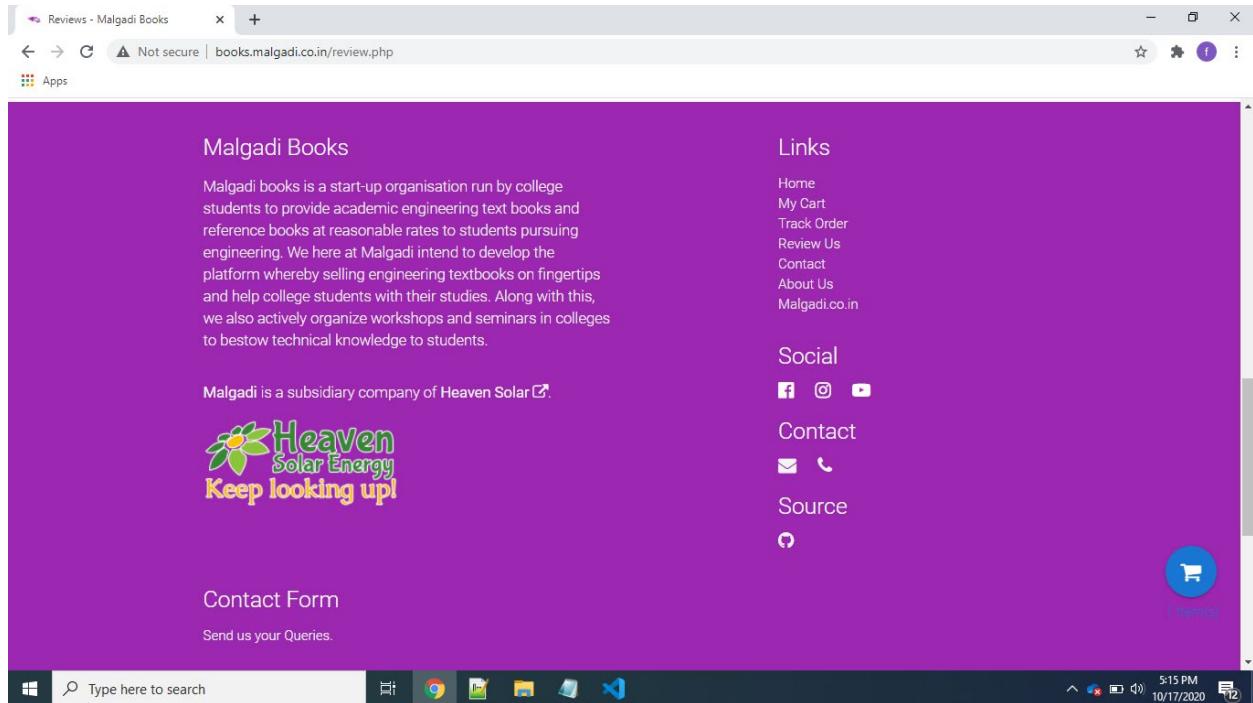

The screenshot shows a web browser window for the URL [books.malgadi.co.in/about.php](http://books.malgadi.co.in/about.php). The page has a purple header with the Malgadi logo and navigation links for Home, My Cart, Track Order, Review Us, Contact, and About Us. Below the header is a menu bar with categories: BOOKSHELF, CE, IT, EC, MH, IC, CL, and CH. The main content area features a section titled "About Us" with a paragraph about the organization's mission to provide academic engineering books at reasonable rates. It also states that all books are verified by experts. A section titled "Our Values" follows, featuring four icons with corresponding text: a handshake icon for "We believe in making friends, not costumers.", a people icon for "We believe in providing, not earning.", a heart icon for "We believe in helping others before benefiting ourselves.", and a shopping cart icon for "1 Item(s)". The bottom of the screen shows a Windows taskbar with various pinned icons and a search bar.

## Teams Page

The screenshot shows a web browser window for the URL [malgadi.co.in/team/](http://malgadi.co.in/team/). The page has a black header with the text "MALGADI TEAM". The main content features a title "The Team Of Books" and "YEAR:(2016-17)" in white. Below this are three circular portraits of team members: Harsh Shah (left), Darsh Bhatt (center), and Dharmesh Narola (right). Each portrait includes the member's name and their field of expertise. The bottom of the screen shows a Windows taskbar with various pinned icons and a search bar.

Member	Role
Harsh Shah	Technical
Darsh Bhatt	Marketing & Management
Dharmesh Narola	Technical & Management

## Contact us Page

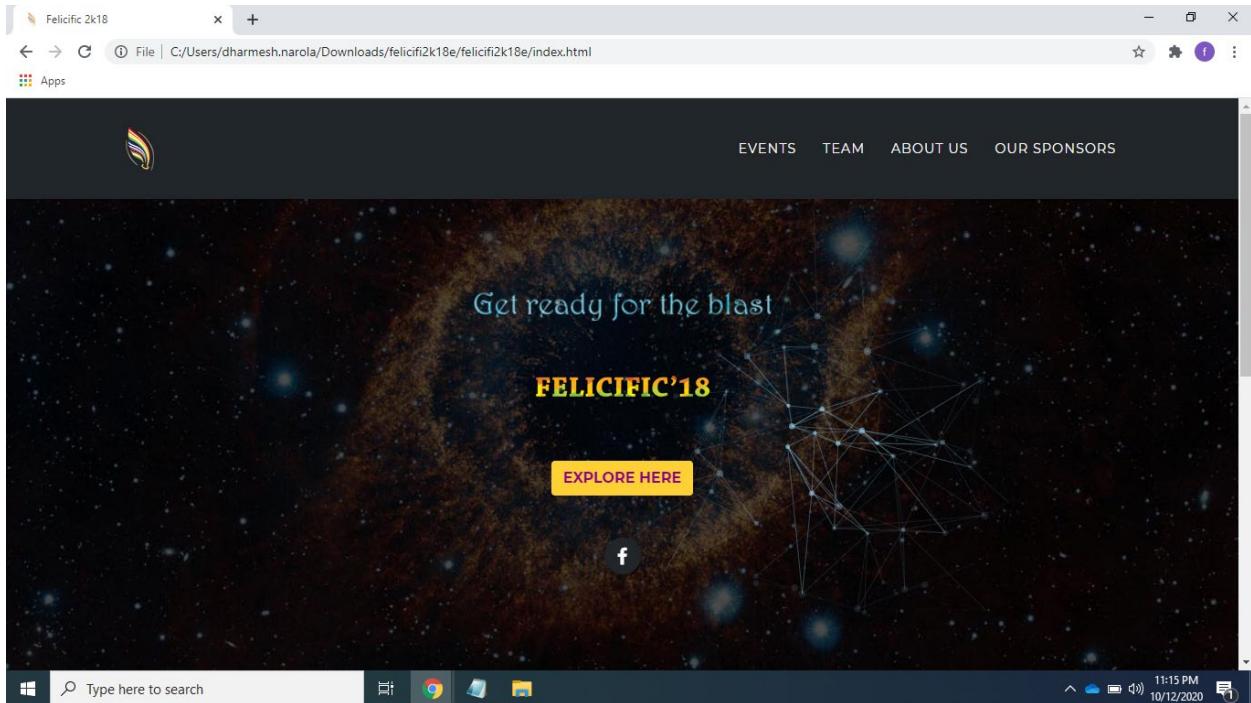

## 2. Felicific – University Fest Website

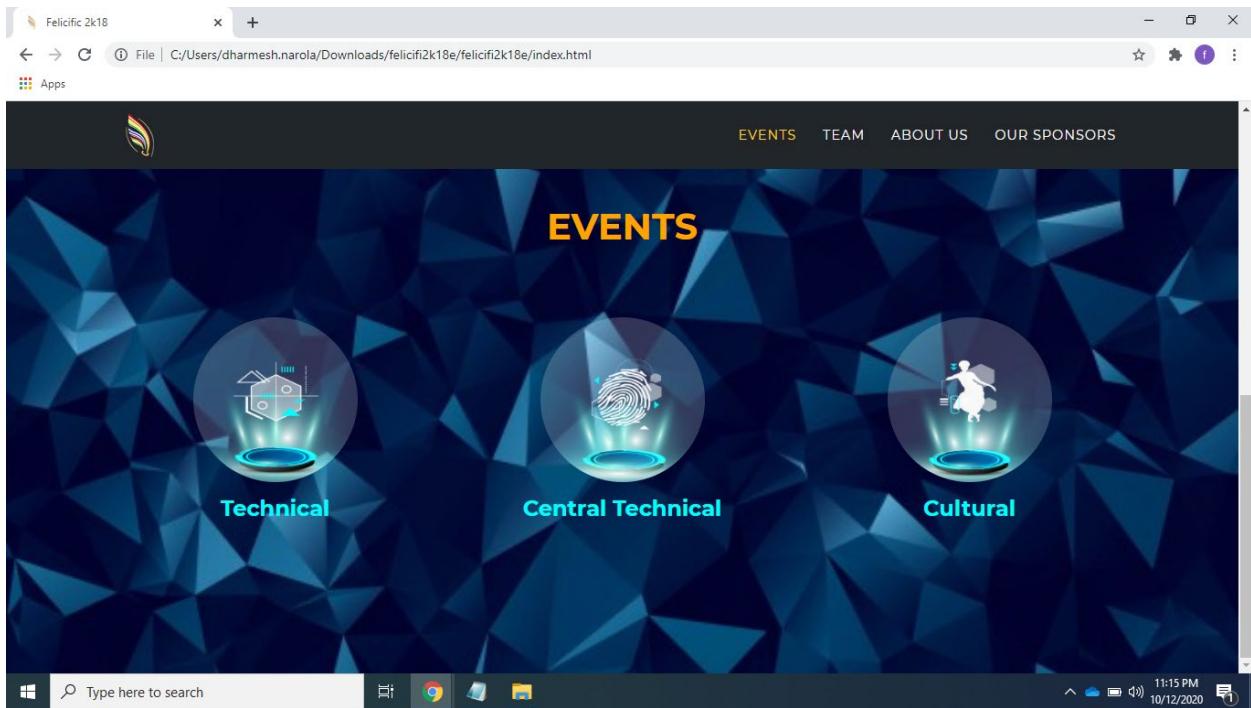

Code link - <https://drive.google.com/open?id=1hr-yBMA17jMKuoBUOEHxZOa1Nk5GVZVQ>

I and my team have made a beautiful responsive website for our felicific i.e fest which use to organize every year in our university. I was the technical leader for creating the website. We had made several pages for Events and also for the sub-category of Events. We had also made Team , Sponsors, and About Us page as well. We had used front-end technologies like Html, CSS, Bootstrap, Javascript, Ajax and Jquery to give fabulous look to our website. Furthermore, we had also made a separate Enquiry Form for students who wish to participate in the events and data from the form was stored using a MYSQL database.

## Home page

## Events List Page

## Technical Events Page

The screenshot shows a web browser window titled "tech.html". The page has a dark blue header with a logo and navigation links for Home, Technical, Central technical, Cultural, Our Sponsors, Team, and About us. Below the header is a section titled "Technical Events" featuring three cards:

- Technokshetra-MCA/BCA**: Features a robotic hand holding a circular interface with icons for Jigsaw Image, Tech Travesty, Need for Speed, and Counter Strike.
- Bizz Brainz-MBA**: Shows two people in business attire.
- Tech Crusade-IT**: Features a lightbulb icon containing puzzle pieces labeled "TECHNO-MINE", "g", "C/C++", and "GAMING".

The browser's address bar shows the file path: C:/Users/dharmesh.narola/Downloads/felicific2k18e/felicific2k18e/tech.html. The taskbar at the bottom includes the Start button, a search bar, and various pinned icons.

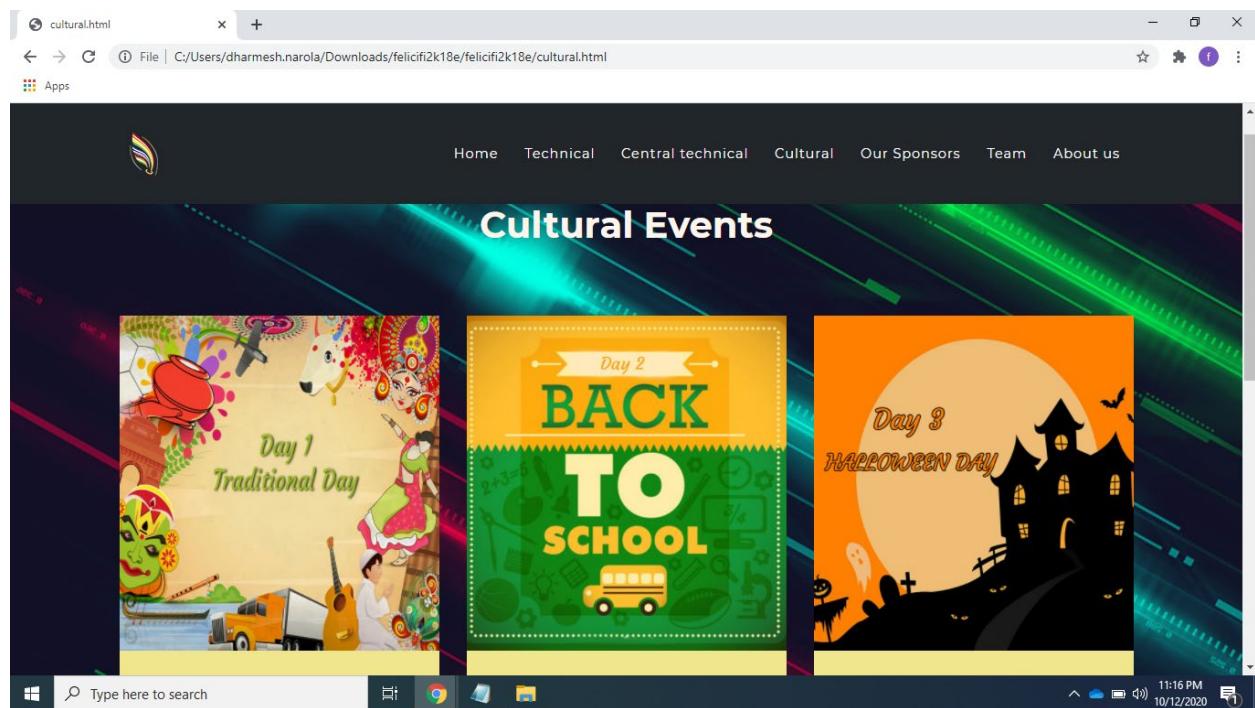

## Central Technical Events Page

The screenshot shows a web browser window titled "ct.html". The page has a dark blue header with a logo and navigation links for Home, Technical, Central technical, Cultural, Our Sponsors, Team, and About us. Below the header is a section titled "Central-Technical Events" featuring three cards:

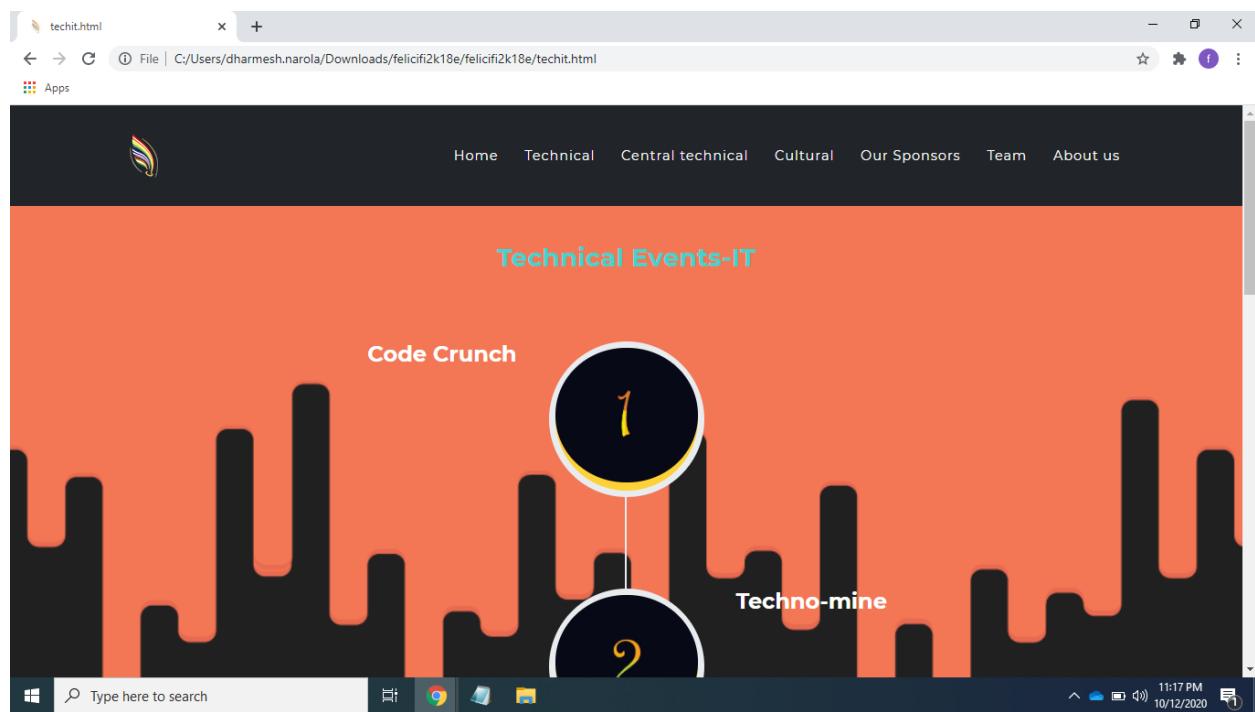

- HUNTRONICS**: Features a stylized "HUNTRONICS" logo over a background of a planet and circuit boards.
- HACKATHON**: Features a lock icon and the text "Felicific'18 HACKATHON LET THE MARATHON OF CODING BEGIN". It also includes details about the event: "Six hours of marathon codathon for innovation with most advanced technologies", "Round 1:synopsis on or before 2nd march", "Round 2:9th march", and "venue:ncu lab-2".
- ROBOTICS**: Features a large "ROBOTICS" title and an image of a futuristic robot.

The browser's address bar shows the file path: C:/Users/dharmesh.narola/Downloads/felicific2k18e/felicific2k18e/ct.html. The taskbar at the bottom includes the Start button, a search bar, and various pinned icons.

## About Us Page

## 3.E-commerce website for online book management

**github link - <https://github.com/DharmeshNarola/E-commerce-website-for-online-book-management.git>**

*I had developed a responsive E-commerce website for purchasing online books based on semester and departments. So if one selects the Computer Science department for 1st semester then all the books will appear that are in 1st semester of the Computer Science department. Likewise, I have also made the admin panel where admin can add different books, update stock if it is available, delete the book, update book information, and can also see the graph that how much sell of the book has been made so far. I have made this website with the help of the "PHP" programming language with the "laravel" framework. In addition, I have used front end technologies like HTML, CSS, SCSS, Bootstrap, Json, Ajax, Javascript, and Jquery and had done back end with the help of the MongoDB database. I will also attach screenshots of different pages in the portfolio to get a clear idea about the project.*

## login and register page for customer

The screenshot shows a web browser window with the URL [localhost/ecomphp/login.php](http://localhost/ecomphp/login.php). The page has a dark header with three navigation links: HOME, BOOK SHOP, and MY ACCOUNT. Below the header is a large title **BOOK SHOP - ACCOUNT** with the subtitle *Tagline Here* underneath. There are two main forms: 'I'M A RETURNING CUSTOMER' on the left and 'REGISTER AN ACCOUNT' on the right. Both forms require an E-mail Address and Password. The 'RETURNING CUSTOMER' form also includes a 'LOGIN' button. The 'REGISTER' form includes a 'REGISTER' button. At the bottom right of the page, there is a message: 'Activate Windows Go to Settings to activate Windows.' The browser's address bar shows the current URL. The taskbar at the bottom of the screen displays various application icons.

## index page of website

The screenshot shows a web browser window with the URL [localhost/ecomphp/index.php](http://localhost/ecomphp/index.php). The page has a dark header with three navigation links: HOME, BOOK SHOP, and MY ACCOUNT. Below the header is a large title **BOOK SHOP** with the subtitle *You can order Books from here* underneath. The main content area displays four book covers in a grid: 1. Computer C++ Book by Sumita Arora (INR 500.00/-). 2. MATHEMATICAL FOUNDATION OF COMPUTER SCIENCE by Shahnaz Bathul (INR 496.00/-). 3. COMPUTER SCIENCE WITH JAVA by Sumita Arora (INR 588.00/-). 4. INTRODUCTION TO ALGORITHM by Cormen (INR 780.00/-). Each book cover includes a star rating. At the bottom right of the page, there is a message: 'Activate Windows Go to Settings to activate Windows.' The browser's address bar shows the current URL. The taskbar at the bottom of the screen displays various application icons.

## Book detail Information page

The screenshot shows a web browser window displaying a book detail page. The title 'BOOK SHOP' is at the top, followed by the tagline 'Get the best book'. A large image of the book 'Mathematical Foundations of Computer Science' by Shahnaz Bathul, Second Edition, is shown. The book cover is purple and blue. Below the image, the book's title, author, and edition are displayed. To the right, the book's details are listed: 'MATHEMATICAL FOUNDATION BY SHAHNAZ BATHUL SECOND EDITION INR 496.00/-'. It also shows the category 'MATHEMATICAL FOUNDATION', quantity '1', and buttons for 'ADD TO CART' and 'Add to WishList'. The categories are listed as 'CE'. At the bottom right, there is a message to activate Windows.

Activate Windows  
Go to Settings to activate Windows.

## Related Books page

The screenshot shows a web browser window displaying a related books page. The title 'OVERVIEW' is at the top, followed by the category 'MATHEMATICAL FOUNDATION'. Below this, the section 'RELATED BOOKS' is shown with three book thumbnails. The first book is 'BASICS OF ELECTRICAL, ELECTRONICS AND COMMUNICATION ENGINEERING' by NIEL STUDDY, RICHARD HUGHES, WAYNE TOWARI, with a rating of 4.5 stars and a price of INR 986.00. The second book is 'DIGITAL ELECTRONICS' by K. SHASHAWAR, with a rating of 4.5 stars and a price of INR 896.00. The third book is 'WIRELESS COMMUNICATIONS' by SANJAY SHARMA, with a rating of 4.5 stars and a price of INR 786.00. At the bottom right, there is a message to activate Windows.

Activate Windows  
Go to Settings to activate Windows.

## cart detail page

The screenshot shows a web browser window for a book shop. The title bar says "localhost / 127.0.0.1:3306 / ecomphp/cart.php". The header includes links for "HOME", "BOOK SHOP", and "MY ACCOUNT". A search bar is on the right. The main content area has a large title "BOOK SHOP CART" and a subtitle "Get the best kit for smooth shave". Below is a table showing a single item:

	PRODUCT	PRICE	QUANTITY	TOTAL
	MATHEMATICAL FOUNDATION BY SHA	INR496.00/-	1	INR496.00/-

A "CHECKOUT" button is at the bottom right of the table. Below the table is a "CART TOTALS" section with three rows:

Cart Subtotal	INR 496.00/-
Shipping and Handling	Free Shipping
Order Total	INR 496.00/-

To the right of the totals, there is an "Activate Windows" message: "Go to Settings to activate Windows." The system tray at the bottom shows various icons and the date/time: 21:05 12-10-2020.

## shopping cart bag

The screenshot shows a web browser window for a book shop. The title bar says "localhost / 127.0.0.1:3306 / ecomphp/checkout.php". The header includes links for "HOME", "BOOK SHOP", and "MY ACCOUNT". A search bar is on the right. The main content area has a large title "BOOK SHOP - CHECKOUT" and a subtitle "Get the best book".

On the right side, there is a summary of the shopping bag:

You have 1 item(s) in your shopping bag

	MATHEMATICAL FOUNDAT
	1 x INR 496.00/-

Below the bag summary is a "Subtotal: INR 496.00/-" and two buttons: "VIEW BAG" and "CHECKOUT".

At the bottom left, there is a "Billing Details" section with fields for "Country" (a dropdown menu), "First Name" and "Last Name" (text input fields), and "Company Name" (a text input field). To the right of the "Company Name" field is an "Activate Windows" message: "Go to Settings to activate Windows." The system tray at the bottom shows various icons and the date/time: 21:06 12-10-2020.

## Checkout page-1

The screenshot shows a web browser window for a Book Shop Home Page - PHP Ecommerce application. The title bar indicates the URL is `localhost / 127.0.0.1:3306 / ecom / checkout.php`. The page has a header with navigation links for HOME, BOOK SHOP, and MY ACCOUNT. The main content area features a large heading "BOOK SHOP - CHECKOUT" with the tagline "Get the best book". Below this, a section titled "Billing Details" contains fields for Country (Australia), First Name (Dharmesh), Last Name (Narola), Company Name (Infosys), Address (123,Green street), and a note about activating Windows. The Windows taskbar at the bottom shows various pinned icons and the date/time as 12-10-2020.

## Checkout page-2

The screenshot shows the continuation of the checkout process. The address fields from the previous page are repeated: Address (123,Green street), Apartment, suite, unit etc. (optional), City (Sydney), State (Victoria), and Postcode (578009). Below these, a Phone field contains the number +1972345987. A "PAYMENT METHOD" section follows, where "Cash On Delivery" is selected. A note explains that payment should be made directly into the bank account using the Order ID as reference. A checkbox labeled "I've read and accept the terms & conditions" is checked. At the bottom is a prominent "PAY NOW" button. The Windows taskbar at the bottom shows pinned icons and the date/time as 12-10-2020.

## Admin panel login page

The screenshot shows a web browser window with the URL `localhost/ecomphp/admin/login.php`. The page has a large "LOGIN" title at the top. Below it is a sub-header "Admin Login". A form is centered on the page, containing fields for "E-mail Address" (with the value `varshil1@gmail.com`) and "Password" (with the value `*****`). There is also a "Remember Me" checkbox and a "LOGIN" button. To the right of the form, there is a "Lost Password?" link. At the bottom right of the page, there is a "Activate Windows" message with a link to "Go to Settings to activate Windows". The browser's address bar shows the current URL. The taskbar at the bottom of the screen includes icons for various applications like File Explorer, Control Panel, and Google Chrome.

## Add books page where admin can add books

The screenshot shows a web browser window with the URL `localhost/ecomphp/admin/addproduct.php`. The page features a navigation bar with tabs: "CATEGORIES", "BOOKS", "ORDERS", "CUSTOMERS", and "MY ACCOUNT". The "BOOKS" tab is active. Below the navigation bar, there are several input fields and dropdown menus for adding a new product. The fields include "Product Name" (input field), "Product Description" (text area), "Product Category" (dropdown menu with placeholder "--SELECT CATEGORY--"), "Product Price" (input field), and "Product Image" (input field with placeholder "Choose File" and note "No file chosen"). A note below the image input says "Only jpg/png are allowed." At the bottom left is a "Submit" button, and at the bottom right is an "Activate Windows" message with a link to "Go to Settings to activate Windows". The browser's address bar shows the current URL. The taskbar at the bottom of the screen includes icons for various applications like File Explorer, Control Panel, and Google Chrome.

## Admin panel-Customers order page

The screenshot shows a web browser window with the URL [localhost/ecomphp/admin/orders.php](http://localhost/ecomphp/admin/orders.php). The page has a dark header bar with navigation links: CATEGORIES, BOOKS, ORDERS, CUSTOMERS, and MY ACCOUNT. Below the header is a table with columns: #, Customer Name, Total Price, Order Status, Payment Mode, Order Placed On, and Operations. One row is visible, showing an order placed by customer 'fenil narola' with total price 500, status 'Order Placed', payment mode 'cod', and placed on 2020-05-12 17:20:54. An orange 'Process Order' button is in the Operations column. At the bottom of the page, there is a copyright notice: © Copyright 2015. CodingCyber.

## Admin panel-Update and delete page for books

The screenshot shows a web browser window with the URL [localhost/ecomphp/admin/products.php](http://localhost/ecomphp/admin/products.php). The page has a dark header bar with navigation links: CATEGORIES, BOOKS, ORDERS, CUSTOMERS, and MY ACCOUNT. The BOOKS link is highlighted, and a dropdown menu is open with options: View Books and Add Books. Below the header is a table with columns: #, Product Name, Category Name, Thumbnail, and Operations. There are 29 rows of book data. Each row includes a 'Category Name' column with values 1, 2, or 3, a 'Thumbnail' column with 'Yes' checked, and an 'Operations' column with 'Edit | Delete' links. The table also includes a 'View Books' and 'Add Books' button. At the bottom of the page, there is an 'Activate Windows' message: 'Go to Settings to activate Windows.' The browser's address bar shows the URL [localhost/ecomphp/admin/products.php#](http://localhost/ecomphp/admin/products.php#).

## Admin panel-Customer review page

The screenshot shows a web browser window with two tabs: "Book Shop Home Page - PHP Ecommerce" and "localhost / 127.0.0.1:3306 / ecommerce / admin/reviews.php". The main content area displays a table of customer reviews:

#	Product Name	Review	Posted On
1	Computer C++ Book	It's an awesome Product...	2017-10-30 15:18:42
2	Computer C++ Book	dscdscdfcd	2020-05-10 21:12:38

At the bottom of the page, there is a copyright notice: "© Copyright 2015. CodingCyber".
